0% ABV

— 15 —

Juniper, Blanc Verjus, Pineapple, Lemon, Egg White

*Personal Note from Mike, Head Bartender*

*The Joy of Missing Out epitomizes the aim of this section of the menu. I knew that one of the biggest IMPACTS I could make would be to offer the highest level of craft in our non-alcoholic section. No more commercial "spiritless" products. Now we have honey foams, non-alcoholic bitters, house-made shrubs, verjus & more to elevate them for any guest who, for any reason, chooses not to imbibe. We will not be offering alcoholic substitutes in these beverages because they were designed & balanced to stand on their own without alcohol. We will continue to strive as hard for those who choose to abstain as we do for those who indulge. Please allow us to craft one of these incredible beverages for you & never second guess your decision to experience the Joy of Missing Out.*

*With Gratitude,  
Mike Vander Horn*
